

Product Data - Series BC Bulletin Case

Bulletin Case

Since 1953, Nelson Adams NACO has created products to meet the needs of multipurpose rooms such as classrooms, labs and conference rooms. Independently owned and operated, the company focuses on precision-focused technology to create outstanding products.

- HBC Hinged Bulletin Cases offer a durable and professional display solution. Crafted from 6063T alloy aluminum with a standard clear satin anodized finish. The fixed back panels can be with Koroseal vinyl, Forbo and Fabric wall covering. Powder coating is available for an additional charge.

Proud Partner of:
