

Product Data - Series MW Marker Wall

Marker Wall

Since 1953, Nelson Adams NACO has created products to meet the needs of multipurpose rooms such as classrooms, labs and conference rooms. Independently owned and operated, the company focuses on precision-focused technology to create outstanding products.

- The markerwall consists of e3 porcelain on 1/2" particle board with 015 moisture barrier backer, and satin clear anodized aluminum C4-trim. Magnetic tray & Map rail provided at an additional cost.

Proud Partner of:
